Thank you for choosing Blossom Gynecology, Wellness & Infertility, P.A. as your healthcare provider. We are committed to building a successful and long-term physician-patient relationship.

Insurance: A valid photo ID/Drivers License and active insurance card must be presented at the time of your visit. Our office is in network with most major insurance carriers. However, it is the patient's responsibility to understand the coverage details of the policy and to verify we are participating providers. Deductibles, co-insurances and co-pays, as outlined by your policy, are due at time of service. Services rendered at your visits are sent to your insurance company using a coding system know as CPT.

Preventative Visits: A Well Woman Visit is considered preventive care and includes history taking, breast and pelvic exam, as well as necessary testing including a pap smear.

Problem Visits and Procedures: A physician may determine it is necessary to spend additional time and effort to fully address problems at a dedicated visit, or at the time of a Preventative visit, including procedures. Based on your insurance benefits, a co-insurance, deductible, or co-pay in addition to an office co-pay may be required. The additional time is billed to your insurance company and will be reflected on the Explanation of Benefits you receive from your insurance carrier.

Non-Covered Services: Payment will be due at time of service. Should you have any questions on what services are non-covered, we encourage you to contact your insurance company. If your insurance was inactive at the time of your visit, you will be responsible for the total cost. Elective, cosmetic, or aesthetic procedures will be the patient's financial responsibility and are non refundable.

Overdue Accounts: If the balance is not paid within 45 days of the date of service your account is considered past due and we reserve the right to forward the account to a collection agency. The patient/guarantor of the account will assume all costs of collections, interest, and legal fees, up to 50% of the account balance. Any questions regarding balances can be emailed to patientaccounts@blossomgyn.com. In the event the account is no longer current, medical services may be discontinued.

Administrative Fees: A \$40.00 fee will be charged when requesting medication renewals outside of a scheduled appointment or when prior authorization is required. A \$40.00 fee will be charged for letters/forms the office completes on your behalf.

Missed Appointments: Unless cancelled/rescheduled 24 hours prior to your visit, there is a \$40.00 fee for missed appointments.

Lab Services: Quest, Labcorp and Myriad provide the lab services. Charges for these services are handled directly by billing departments associated with these companies. Any questions regarding lab charges should be directed to the billing phone number provided by these

companies.

By signing below, I understand and agree to the financial policy as outlined above. I consent to receiving emails, text messages and phone contact regarding financial matters.
